

MCFC - General Update

August 8, 2025

Harvesting:

RV Pepper is harvesting on block CL04 in the Legrand area just off Lamco Road. This block is a 37ha leading Hemlock with minor of cedar and SPF.

Warren McLennan is harvesting road right of way and block MC07 up the Spinner Road. Block MC07 is leading cedar with a minor of hemlock and SPF.

All logs sold to the following: Pulp sold to Canfor, SPF sawlog to Carrier and cedar sold to Cedar3, BKB, local sawmills and Gilbert Smith.

Roads:

Profor has brushed the Mountain View FSR from +/-14km to 19km Fleet Creek Bridge.

Schapansky Logging has successfully completed the 400-road upgrade off the Mountain View FSR.

ORM is working on the Minnow deactivation. The Spinner Road upgrade and spur road construction is complete.

The McBride Lookout FSR upgrade has been tendered to four contractors. Two bids were received with the contract awarded to ORM. Work to start soon.

Bridges:

DWB has completed bridge surveys for two Mountain View FSR sites. They are lined up to do bridge inspections on separate existing structures.

Planning/Other:

ORM is checking block layout for creeks, ecology and general review.

No layout at this time.

CP3 expires August 19, 2025. CP4 application is with the MOF and I am hopeful for a new 4-year CP soon.

Silviculture:

Clausen has started FG surveys. Targeting all older blocks before CP 1 to be surveyed. CP1 blocks to follow if time allows.

Recreation:

Maintaining rec sites.
